

### REMARKS

Applicants thank the Examiner for pointing out the clerical error in claims 4 and 5. The term "about" was inadvertently omitted from the claims in Applicant's *bona fide* attempt to provide a complete reply with a submission for a Request for Continued Examination (RCE) filed June 23, 2009. The RCE is considered proper and the Examiner has issued a Notice of Non-compliant Amendment. Applicants submit herewith claims in compliance with 37 CFR 1.121. The term "about" has been added to claims 4 and 5. Applicants intend for the claims to appear as previously presented. Thus, claims 4 and 5 are identified accordingly. Additional minor clerical corrections are the underlining of "a" before "non-ionic" in claim 1, and the removal of the double brackets in claim 12.

Entry and favorable consideration of the claims are respectfully requested. If any questions remain, the Examiner is invited to contact the undersigned at the number given below.

**The Director is hereby authorized to charge any appropriate fees that may be required by this paper, and to credit any overpayment, to Deposit Account No. 23-1925.**

Respectfully submitted,

BRINKS HOFER GILSON & LIONE
